## LIFE IS A HIGHWAY

All over our state new roads have been constructed to facilitate travel. Citizens of Petersburg are especially conscious of the Richmond-Petersburg Turnpike, a new highway linking our city to Richmond. As travel is an essential feature of American life, the *Missile* staff has chosen a comparison of highways and school life as its theme.

The class of 1959 arriving at Petersburg High School entered as inexperienced travelers just beginning their journey. Traveling the highway through the four years of high school, they faced and conquered what seemed insurmountable barriers; they rose again with hope for the future. As they continued their journey, there were many attractions which brightened their way. Though their steps may have detoured from the road, the senior travelers always returned in order to achieve their destination.

The purpose of the 1959 *Missile* is to present the pleasant memories of friendship, the obstacles that have been overcome, and the milestones that the seniors have passed.

*" . . . life is a highway and its milestones are the years."*

JOYCE KILMER

## DEDICATION

"We may not all be scholars, but we can all be ladies and gentlemen." This is the familiar code by which the late Mr. Edward B. Smoot lived and taught.

For more than fourteen years Mr. Smoot dedicated himself to the students of PHS. He not only made chemistry fascinating to his students, and brought biology to life for them, but taught the importance of an individual . . . his beliefs, desires, and ideals. After having Mr. Smoot for a teacher, one knows not only chemistry or biology but that there is much more to life than learning derived from books.

Mr. Smoot's devotion to young people did not end at the close of the school each day, for his afternoons belonged to his students as well. A vivid illustration of this is the work he did with the PHS tennis team. Every afternoon in the spring and fall, he could be found at the tennis courts playing with and coaching the boys of the team.

A man deeply respected by his students, his friends, his fellow faculty members, a man worthy of this respect, a man who will ever be remembered by those who knew and loved him for his generosity, his good humor, his kind patience, his influence for good, though he never realized how much he did for others. It is to Mr. Smoot, teacher, coach, friend, Christian gentleman, that we humbly dedicate the 1959 *Missile*.

MR. EDWARD BAGBY SMOOT

## **CONSTRUCTION AHEAD**

No matter what itinerary a traveler follows, there are occasions when he reads the sign: Construction Ahead. The highway may, therefore, contain rough passages necessitating careful driving. In their high school career, the freshmen, the sophomores, and the more experienced juniors may reach some points when completion of the journey involves difficulties. With careful attention to the best procedure, each undergraduate can advance successfully on his route.

#### CONSTRUCTION PROJECTS

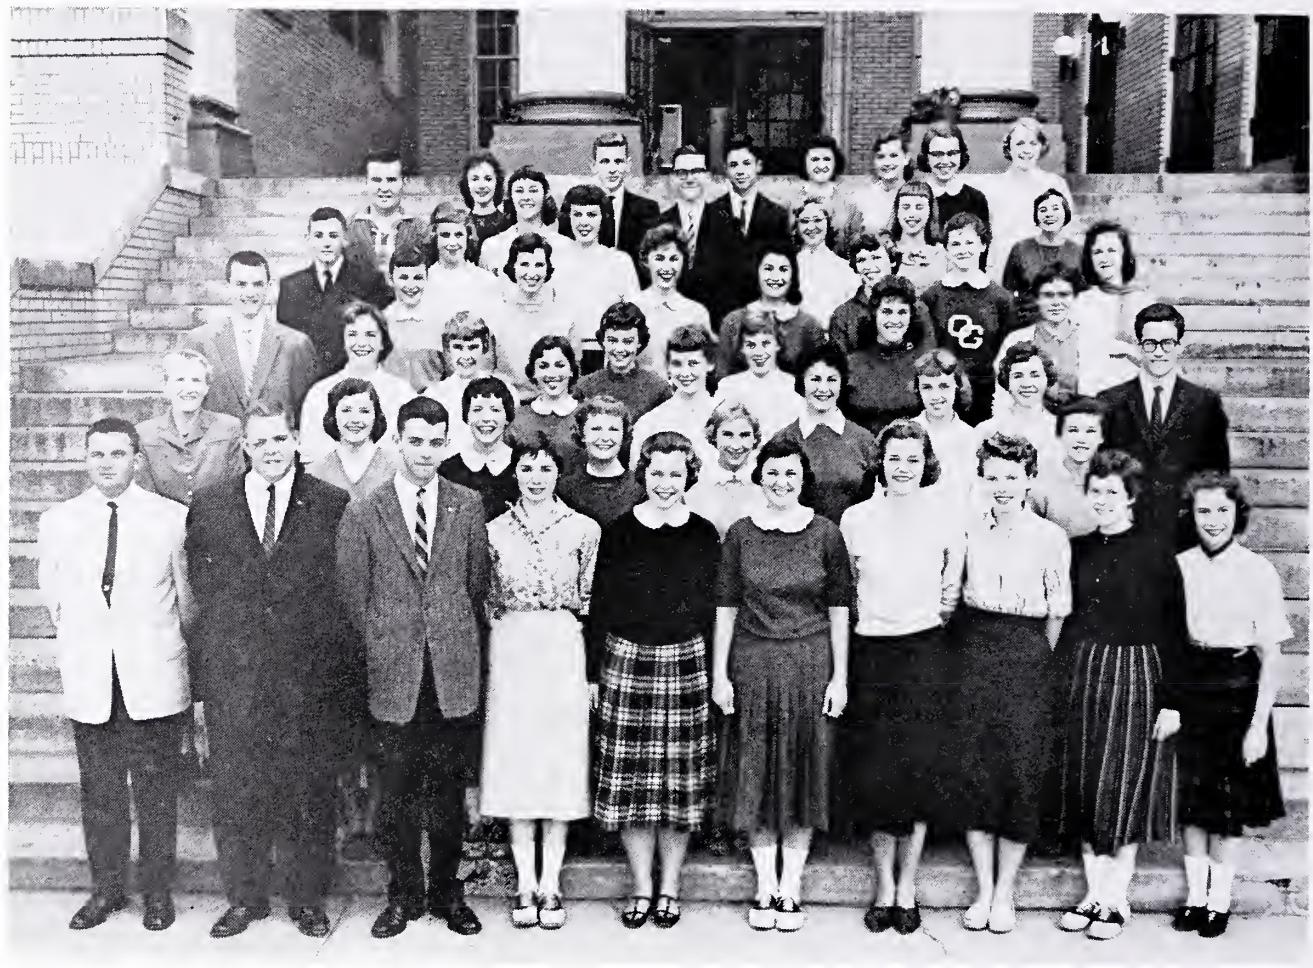

In preparation for our journey through life, a spirit of cooperation and an understanding of our fellow travelers' problems are necessary factors in well adjusted living.

The extra-curricular activities of Petersburg High School have been expanded in recent years. At present there are group organizations with a broad range of interests.

The work of all groups functions through the Student Cooperative Association. Petersburg High School feels justly proud of its activities program.

“Click-click”. That little noise is heard everywhere around school as one of the photographers for the *Missile* takes pictures of the various types of activities. After the pictures have been taken, staff members go to work so that we can receive our *Missiles* in the spring.

Preparing the *Missile* is often difficult, but the people who do the different jobs strive conscientiously and endeavor to make each year's *Missile* better than that of the previous year.

The S. C. A. may be called the capital of P. H. S., just as Washington, D. C., is the capital of the United States; for the Student Co-Operative Association forms the core of P. H. S. Through the S. C. A., many problems are solved, not only those of the homerooms, but also those of the school as a whole. A representative and an alternate are chosen from each homeroom to represent that homeroom in the meetings, so that every student has a voice in the S. C. A. Delegates from P. H. S. are always at S. C. A. conventions, and our Student-Council rates very high in the state. The S. C. A. sells programs at our games; this year, an additional project was the selling of deals for the ears.

## WEEKLY NEWS

*Left to Right:* B. Bowery, T. Gainey, J. Metcalf, Mr. Pinkney Powers (Advisor), C. Roof, R. Rollison.

The newspaper article is finally finished and so is the senior who has written it! He has worked hard, but his reward will come when he sees his "masterpiece" in the Sunday newspaper. He will then sit, reading it over and over, noticing how wonderful each sentence sounds. The *Weekly News* tells about the activities carried on at P.H.S. during the week, giving the students' opinions of these activities, clubs, sports and assemblies. These seniors do a good job and deserve a lot of credit.

Shhh—don't disturb! The "secretaries" of P.H.S. are in a conference now, and to disturb them could cause the "boss" to become very angry! These "secretaries" are girls who are members of the Commercial Club, an organization composed of the girls who are interested in secretarial work. They are distinguished by their sweaters with the club's emblem, which they wear on the days that the club meets.

Smith, B. Marek, M. Tatem, K. Dalton, P. Romaine, M. Blick.

People are everywhere taking out and looking at books or in the reference room! How will the library ever survive this homeroom period? Don't worry, though, the efficient library staff has everything under control, from the stamping of passes to the checking out of the books. These members work in the library in the morning, during homeroom period, and during study halls to help the students find books and references, thus eliminating waste of time.

The machine buzzes, grumbles a bit, and then a movie of Thomas Jefferson, Mount Vesuvius, or anything else our teachers have been able to find, comes on. More than likely, the Projection Crew has played an important part in our being able to see this movie. The members of the Projection Crew have such duties as fixing a broken machine and taking movie projectors to the rooms all over the school. These boys do a great job with very little thanks.

"Towards New Horizons" is the motto of one of P. H. S.'s most worthwhile girls' clubs. This club is the Future Homemakers of America, a club to which any girl who has taken home economics may belong. The girls work together to promote better personal, family and community living. The F. H. A. is a national organization with many purposes including emphasis on home and family life. The girls take an active part in local, state, and national projects, and this year they worked hard in the F. H. A. Rally.

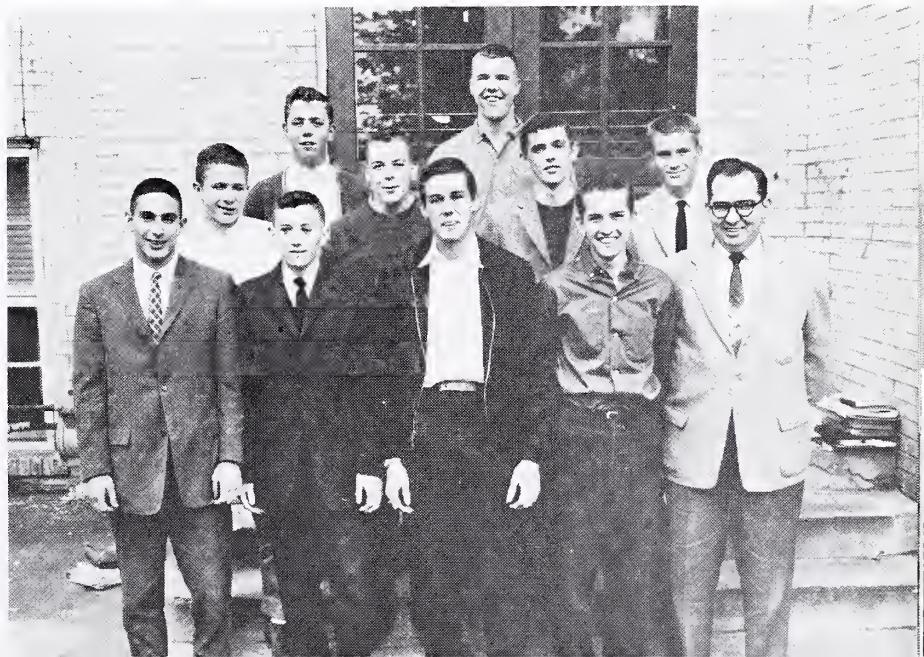

Did you see the greasy face, beaming with pride, from under the old car that has just been rebuilt? That face, most likely, belongs to a member of the Auto Mechanics Club. This club is made up of boys who have either passed an exam for entering the club or are taking an Auto Mechanics class. The members read various magazines about cars and discuss their findings with the other club members. The members learn to take a motor apart and to put it back together, a feat which would be quite difficult, if not impossible for most of us. The Auto Mechanics Club makes it possible for the boys to become better acquainted with their cars and really to know what makes them run!

#### GLEE CLUB

Behold the song birds of P. H. S.! These "twitterers" make up the Glee Club which is a club composed of people interested in learning and singing music. Each year, the Glee Club presents two concerts; one at Christmas and one in the spring. The members work hard before each concert, practicing often, so that they can produce sounds pleasing to their audience. Often the Glee Club is asked to perform for smaller groups, such as their program at Fort Lee this year.

**GIRLS' ENSEMBLE, SEXTETTE, AND  
BOYS' QUARTET**

The "baby birds" of P. H. S. are known to all as the Girls' Ensemble and Sextet and the Boys' Quar'ct. The members of these smaller groups are also members of the Glee Club and play an important part in the concerts, as they add "spice" and variety. They often sing at luncheons and meetings outside of school.

#### THE "REVIEW" STAFF

"Extra! Extra! Read all about it!" The *Reviews* we've had this year have been the best yet! The *Review*, our school paper, is made possible through the hard work of many staff members. There are editors, reporters, and typists, with each one playing an important part in producing our paper.

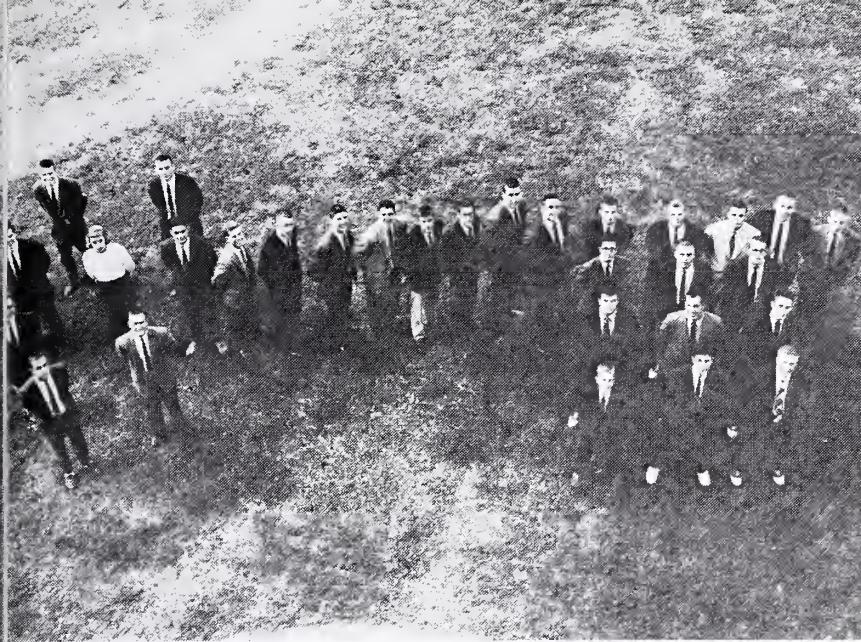

The *Review* contains news and items of interest to students of P.H.S.

I wonder how many locks the "key" in Key Club would unlock . . . Probably not many metal ones, but surely one of the most significant in the world; the one in which friendship is the most important thing. The Key Club's motto, "We Build", tells in only two words the purpose of this club. The members strive to promote not only friendship, but also sportsmanship and honesty. To become a member of the Key Club, which is sponsored by the Kiwanis Club, you must be not only voted in by the club members, but also approved by a faculty committee. A Key Club member must have good grades and be a person who will uphold the Key Club's good standards and show qualities of leadership. This year the Key Club sponsored buses to the basketball games in addition to other projects.

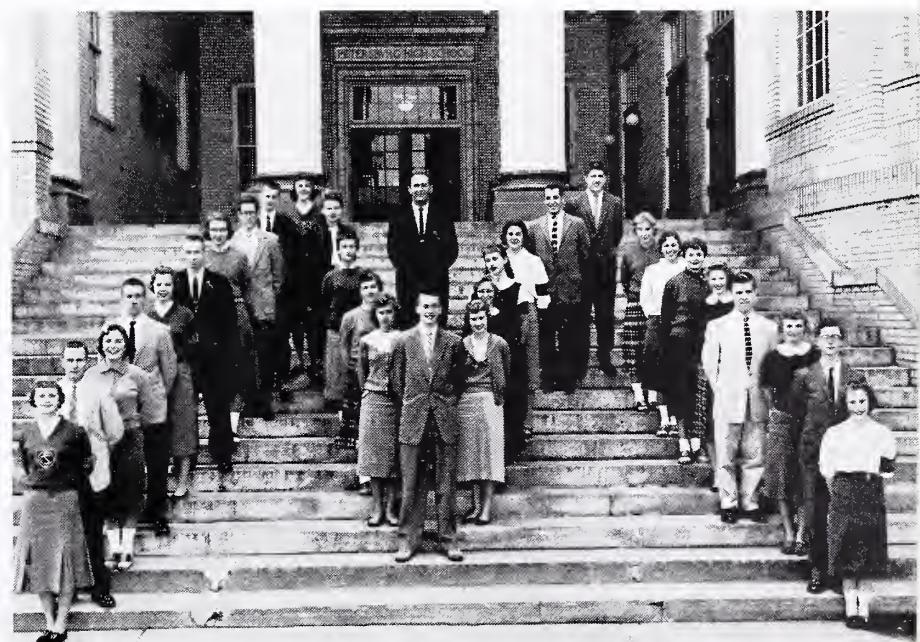

"Go around the pole" is an expression you've probably heard if you've tried to sneak by without going around it. The Monitors Club is composed of about twenty-five selected students who assist in preserving orderly procedure throughout P. H. S. They do a good job of keeping the halls in order and the stairs from confusion. The members work in the cafeteria with the students to keep order and keep the cafeteria clean. The Monitors also assist Miss Reynolds in giving vocational guidance and achievement tests. The Monitors are distinguished by crimson and gold arm-bands which have been brought into use this year.

It's a touchdown! No, a basket! No it's not, — it's a homerun! Oh well, it really doesn't matter which one was just accomplished because, if you are a boy lettering in any of the major varsity sports, you are probably a member of the Varsity Club. The members of this club have crimson jackets to identify themselves from other clubs. The Varsity Club's main project is participating in the school activities. This year the members presented a night program which was enjoyed by all who attended it.

When all the bright colored "pinnies" are on hand the girls are in the field or on the court ready to play, the game begins. All of the girls from P. H. S. participating in a major sport may be in the Girls Monogram Club. This club was organized for the purpose of promoting better sportsmanship throughout the school and for arousing more interest in girls' sports. This is a fairly new organization, but every girl who is a member does her part to make this a stronger club.

The lights go out; the audience becomes quiet, and a play sponsored by the Dramatics Club is about to begin. There are only a few people on the stage, but if we were to go back stage, we would see many more. The Dramatics Club is made up of people interested in acting and learning about the sets, backstage work props, costuming, make-up and lighting. Each year the Dramatics Club sponsors two plays which are enjoyed by all who attend.

## SOCIAL CLUBS

You mean you don't understand all the sweaters with the odd designs on them? These are the symbols of the three girls' social clubs: Goober Pep, Odd Girls, and Square Circle. These clubs have various projects which they carry on throughout the year, although they are mostly for pleasure. Last year the projects included repairing the trophy case, buying pictures to put around school, and buying a microphone.

"Parlez vous français?" If your answer is "oui", you are probably in the French Club. This club is made up of all the students who are now taking French or have taken it. The club's purpose is to promote better understanding of the French language and its people and to arouse interest in the language among the student body. For the projects, the members try to add French qualities to the room and to help other clubs in buying a new trophy case.

## Y-COUNCIL

On Monday nights if you are early for your Hi-Y or Tri-Hi-Y meeting, looking through the glass into a room at the YMCA, you will see a meeting going on which you may wonder about. This is the Y-Council, a group composed of the officers from each Hi-Y and Tri-Hi-Y. The Y-Council meets to discuss the problems that may arise in the Y-clubs, and to keep the groups organized. This year, with the help of the Y-Council, for the first time, a Homecoming dance was held.

## TRI-HI-Y'S

The Tri-Hi-Y's are girls' Christian organizations, primarily for the purpose of spreading Christianity throughout the home, school, and community in which we live. The clubs give the girls a source of becoming better acquainted with and more friendly to one another. The girls' projects not only help their own clubs, but serve the community as well.

## VARSITY BASKETBALL

The 1959 Varsity Basketball Team, composed mostly of Juniors, finished the season with a record of twelve wins and nine losses. This record is the best one that the Crimson Wave has had in several years.

The squad, coached by Mr. Bob Kilbourne, and under the capable management of Wayne Gray and Bill Shelton, and trainer Jimmy Powell, showed plenty of hustle.

The Crimson Wave finished in fifth place in the Central District standings, and defeated Douglas Freeman in the quarter finals of the Central District Tournament at the Richmond Arena.

Three players on the team are members of this year's graduation class: David Meade, the captain of the team, Charles Parker, and Dean Miller.

The squad was led in scoring by Bill Burton, who averaged 20.4 points per game. Bill was the second highest scorer in the state Group I scoring, and he was selected for the 1959 All-Central District Basketball Team.

Chris Tisdale received Honorable Mention in the Central District, Bobby Roberson, Freddie Edmunds, and Ryland Vest showed plenty of promise.

The team played outstanding ball all year, and prospects are good for next year.

#### VARSITY FOOTBALL

Coach Bill King's Waves finished their season with a record of three wins, four losses, and three ties. The season was one of the best in recent years. It included some closely contested games.

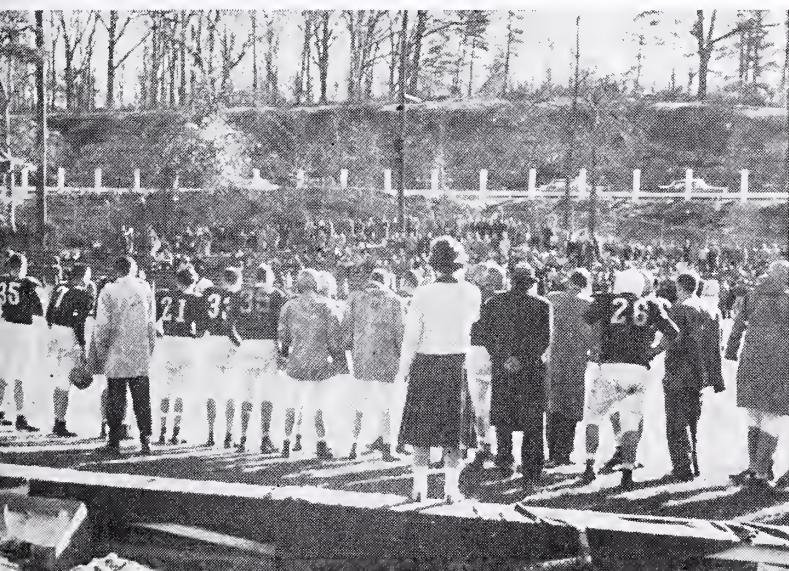

The Waves will lose only six out of sixteen of its "horses". The line will be in full force next season with the following lettermen: Bob Smalley, Bob Senecal, George Perkins, George Finney, Lee Fleshood, Mac Knowles, Van Robertson, Kenny Pritchett, W. J. Kitchen, Tommy Kidd, and Jimmy Nowlin. The backfield will lose three out of four starters with exception of leading scorer, Earl Hawkins. The backfield will have four lettermen with alternates Buddy Fisher, Billy Spencer, Jimmy Bailey, and Monty Hawkins. The Waves also have a good back, Ronnie Cook, who punted late in the season; therefore, we can expect a good season next year.

Earl Hawkins was the top scorer for the Waves with forty-three points. Also the team will lose Jerry Ellis, Charles Parker, and Paul Bowles, three lettermen and top scorers.

After eleven years P.H.S. beat Hopewell 7-6. Earl Hawkins sparked the team by gaining 216 yards and making the decisive touchdown. The Crimson Wave was losing at the half, but fought back in the last quarter by scoring a touchdown and the extra point.

Outstanding players received Central District recognition. On the first team, All-Central District, was Billy Dayvault, center. Honorable mention went to Bob Berry and Mac Knowles, linemen; Hawkins, Bowles and Parker, backs.

Throughout the entire tennis season, inexperience marked the play of the tennis team. In the 1st match, Christ Church nosed out a victory 5 to 4 on the home court. Although 6 matches were scheduled, only 3 could be played because of rain. These were climaxed by a win over a fine Thomas Jefferson "B" team, 5-3.

Jerry Rudy, in his second year as number 1 man, showed up fine in his matches and Leonard Brown and Pete Fearnley showed marked improvement as the season concluded.

The lettermen for the 1955 softball season were: Sally Spain, Sylvia Baber, Brenda Cody, Kay Bragg, Julia Kidd, and Sylvia Matthews.

The Wavelets won one game: the Hopewell game. The score of this game was 5-2.

Many of the players were new and the team lacked experience.

Kay Bragg and Barbara Carlisle were co-captains; and the leading hitters for the season were Julia Kidd and Barbara Carlisle.

Co-captains for the 1958 hockey season were Helen Wall and Louise Andrews. Other lettermen on the team were Dianne Whitmore, Gail Kafka, Francis Perkins, Marcia Proeise, Diane Harrison, Shirley Slate, and Kay Redmond.

Although the team won only one game, the record showed improvement over last year as indicated by the fact that PHS held its opponents to lower scores. However, one of the weakest points of this team was not having a pushing, scoring line.

At the tournament held in Richmond, Helen Hall, co-captain and center halfback, and Shirley Slate, goalie, were selected on the first All-Star Team.

*First Row:* Joyee Gay, Diane Slaughter, Sylvia Baber (eo-captain), Helen Wall (eo-captain), Diane Harrison, Pat Newman. *Second Row:* Peggy Gay (co-manager), Peggy Vaughan, Mary Jo Tudor, Sally Spain, Janice Gerry (co-manager). *Third Row:* Carol Andrews, Johann Vinson, Brenda Cody, Elsie Barnes, Marie Blick, Barbara Skipper. *Fourth Row:* Miss Jo Ann Kiser (eoaeah), Leslie Thayer, Louise Andrews, Barbara Skinner.

"Looks like someone wants that ball"

"J. V.'s hard at practice"

#### GIRLS' BASKETBALL

At the basketball tournament held in Richmond on March 7, Helen Wall, co-captain and forward, was chosen to play on the first team. Other honors went to Peggy Vaughan, guard, who was chosen for the second team, and to Diane Slaughter, guard, who received honorable mention. The Wavelets showed great improvement in their 58-59 season and finished the season with a 5-5 record.

Girls who were lettermen from last year are Helen Wall, Diane Slaughter, Sylvia Baber, Peggy Vaughan, and Joyee Gay. Girls receiving letters this year for the first time are Pat Newman, Sally Spain, Diane Harrison, and Mary Jo Tudor.

#### GOLD BLAZERS

"Stand up and cheer,  
Stand up and cheer for P. H. S.!"

This is a song you are likely to hear if you look in on a meeting of the "Gold Blazers". The "Gold Blazers" is a club, organized this year, made up of girls bubbling with pep and the desire to cheer the team on to victory. To become a member, you must have been a finalist in cheerleading try-outs, a representative from your home-room, or a cheerleader. Each girl has a gold blazer, and the girls sit together at many games and often participate in pep rallies.

looking  
for?*

We hope so. Because we have interesting jobs for "special" gals here at the telephone company.

If you're alert and like people, you'll like it here. The surroundings are pleasant, the pay is good right from the start—and you'll have lots of opportunity for advancement and raises.

There's a "special" extra, too. You'll have that wonderful feeling of making an important contribution to your community. Come talk to us about telephone work. We'd love to meet you!

GOOD GAS SERVICE MAKES WARM FRIENDS

## CONGRATULATIONS, GRADUATES!

Although now you are graduates, you can do a great service for the rest of us, if you never cease to be students — looking for opportunities and ways to cherish the American system of free enterprise and to improve the American way of life. You can be thankful for free schools in a country where you are free to worship and work and think and talk as you please. This is your heritage from the people who built America.

THE FUTURE is pretty largely in your hands — you must be vigilant and active to combat the evils of socialism, government domination of private industry, and all the "isms" that destroy democracy. We depend upon you to do a good job.

## The Petersburg and Hopewell Gas Company

FRANCIS K. GODWIN, President

*The Friendly People*

GOOD GAS SERVICE MAKES WARM FRIENDS

## Our Roads Diverge

A familiar sight to travelers on modern highways is a clover leaf. This intricate pattern is a symbol of the diverging path the seniors will choose as they leave Highway 59 from Petersburg High School. As each goes into the new route of his profession or vocation, the experience gained in traveling the high school area will prove a valuable guide for the future.

### BAND — PEP RALLIES

1. They really add spirit to the games. 2. Even the cheerleaders hula hooped. 3. They cheered so hard they lost their heads. 4. A few excited cheerleaders before the Hopewell pep rally. 5. Mac, our band mascot, and Deanie. 6. Walter, our great student band director. 7. Our little mascot, Lynn, can't quite keep up. 8. Future Dorsey band. 9. What's the big joke, girls? 10. Deanie, our high stepping head majorette. 11. Mary Stewart, a vivacious head cheerleader. 12. "We're behind, but don't worry, we'll win." 13. "5c — 10c — 50c a dollar." 14. Miss Bailey, our peppy sponsor. We couldn't get along without her. 15. Mr. Stronach; band director, par excellence. 16. Stand up and cheer! 17. We didn't forget you, Bobby! 18. The prettiest legs on the prettiest majorettes in the state. 19. Before-game jitters. 20. The big brass of the band. 21. With the help of the J.V. cheerleaders, they cheered the team to victory over Hopewell. 22. Brenda and Pat struttin' their stuff. 23. The majorettes made a good showing at the University of Virginia. 24. Petersburg High Rockettes. 25. The color guard caught off-guard.
